May 6, 2025

Dear Delegates of the Southern Conference of Locals,

It is with great pleasure to welcome you to Dallas/Fort Worth for the 2025 Southern Conference of Locals on June 21st and 22nd. It is especially meaningful to have you come to Dallas for this year's conference, as we were unable to host a live conference back in 2020-21 as was planned. We are grateful for the opportunity to welcome you, at last.

The conference will be held at the [DoubleTree Dallas Campbell Centre Hotel](#) in Dallas, located on North Central Expressway at Loop 12. If you are into shopping and dining, you will be at ground zero in Dallas with [NorthPark Center](#) right across the highway – the largest retail space in DFW and a landmark of mid-century architecture (You can't get more "Dallas" than that).

A few minutes drive down Central Expressway will take you downtown. There you can explore the spectacular performing arts venues and museums of the [Dallas Arts District](#). You can also find the galleries, restaurants, bars, and live music of [Deep Ellum](#), [Victory Park](#) and more. Of special significance is the moving and powerful [Sixth Floor Museum at Dealey Plaza](#), which chronicles the assassination and legacy of President John F. Kennedy.

I would recommend that you fly into Dallas Love Field Airport (DAL), hub of Southwest Airlines, which is about 7 miles from the hotel. This is about a 15 minute ride to the hotel. If you fly via DFW Airport, you will have about a 30 minute trip to the hotel with the possibility of more traffic issues.

If you have any questions about traveling to Dallas/Fort Worth, do not hesitate to contact me. We look forward to see you at the conference!

In solidarity,

Stewart Williams
